MEMORANDUM TO: CHIEF, DOB

FROM: SR/3, W1 ☐ ☐

SUBJECT: Housing Requirements for the CACCOLA SCHOOL

1. Current planning, both here in the section and in the field, calls for the postponement of FY54 mission planning. However, this does not mean that Project AESAURUS/CACCOLA has been discredited or discontinued.

2. Under our revised and more secure approach to the Cycle C recruitment, assessment, and movement to the United States, the following is our present requirement for housing. Agent processing will be held during the period January-May 1954. As soon as possible thereafter, the school will come to the United States.

3. Budget planning calls for twelve agents and three indigenous instructor personnel plus the usual staff of case officers. Housing should be available for this number on or about 1 May 1954.

4. You will be advised of any changes in our requirements or plans. We are deeply appreciative of all your considerations in the past.
